Instilling a joy of learning and inspiring the innovative leaders of tomorrow

Dear Reading Memorial High School Class of 2016,

Congratulations on successfully completing your graduation requirements at Reading Memorial High School! You should be very proud of what you have accomplished during your time in the Reading Public Schools. I have had the opportunity to attend many of your events and observe many of your learning experiences during your four years here at Reading Memorial High School. Your accomplishments in academics, drama, music, extra-curricular activities, community service, and athletics are noteworthy and should be celebrated. You have been role models for your peers and have surpassed the bar that has been set by your teachers, advisors, coaches, and parents. It has been an honor and a privilege to be the Superintendent of Schools for such an outstanding group of young men and young women.

Walt Disney once said, "We keep moving forward, opening new doors and doing new things, because we are curious, and curiosity keeps leading us down new paths." You will have some amazing opportunities along the different paths that you will take on life's journey, each with its own unique set of curiosities, challenges, experiences, and opportunities. No matter which path you choose, I encourage each of you to follow your dreams and bring them to life through imagination and hard work...no matter how impossible they may seem.

On behalf of the Reading School Committee, the administration and staff of the Reading Public Schools, I congratulate you on completing your education here in Reading and wish you a healthy, happy and successful future.

Sincerely,

John F. Doherty, Ed.D.

March 20, 2016

Dear Students of the Class of 2016,

It has been an honor and a privilege to work with you as an English teacher and, this year, as one of your assistant principals. As you head towards graduation, I hope you have the opportunity to take a quiet moment to think about who you were when you entered RMHS in 2012 as a ninth-grader, and who you are now. Are you more intellectually curious? More knowledgeable? More able to articulate your strengths and weaknesses? More aware of how the choices you make influence your life and the lives of those around you? I believe that you can answer these questions in the affirmative, and it is my sincere hope that you agree.

By now you are probably accustomed to being asked, "Where are you going next year?" Given that you are closing out your time in the Reading Public Schools, this question makes a lot of sense. However, please know that *where* you are going is far less important than what you will do when you get there. Whether the next phase in your life takes you far away or keeps you close to home is insignificant. If you take on whatever lies in front of you with enthusiasm, a strong work ethic, and courage, you will undoubtedly experience a great sense of accomplishment and satisfaction. May that be the enduring lesson of your time at RMHS!

Thank you for what you have contributed to RMHS, and of course, congratulations!

Sincerely,

Mr. McSweeney

The Road Not Taken

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference.

To the XC girls and the eggheads, thanks for the awesome memories that I'll never forget.

I love you guys and I couldn't have made it this far without you!

Good Luck class of 2016!

Simone Zuchowski

Mom and Dad, words can't explain how grateful I am that you will always be there for me. Love you forever.

To my best friends, you have all become the sisters I never had and made these four years unforgettable. To my volleyball girls, never give up and know that you are all truly amazing.

"Its time to say goodbye, but I think goodbyes are sad and I'd much rather say hello. Hello to a new adventure.

Erin Powers

I didn't go here either.

NATURE XXVIII: AUTUMN

The morns are meeker than they were,

The nuts are getting brown;

The berry's cheek is plumper,

The rose is out of town.

The maple wears a gayer scarf,

The field a scarlet gown.

Lest I should be old-fashioned,

I'll put a trinket on.

Mary Poppins

When Jane and Michael Banks (children of the wealthy and uptight Banks family) are faced with the hope of a new nanny, they are pleasantly surprised by the magical Mary Poppins (Margaret Sweeney). The three of them go on many adventures along with Mary's friend, Bert (Matt Miller).

Around the World in 80 Days

Around the World in Eighty Days was directed by Bill Endslo. The plot was exciting and filled with adventure. The set was decorated with bright costumes, metal gears and a compass turn table. Both actors and tech worked hard to take the audience around the world in under two hours.

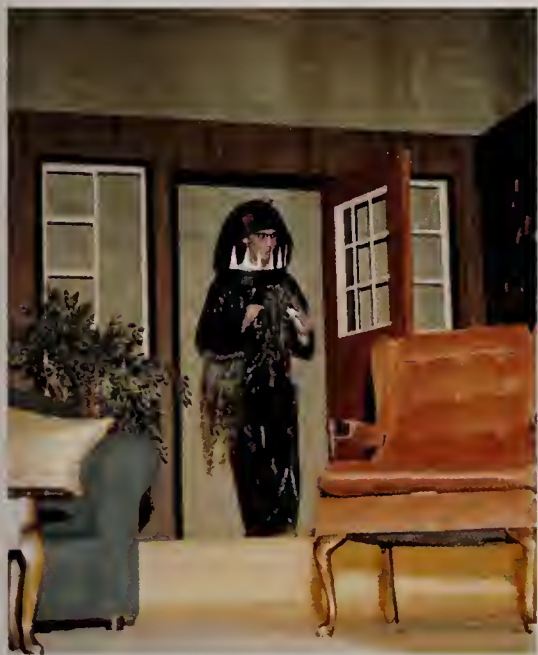

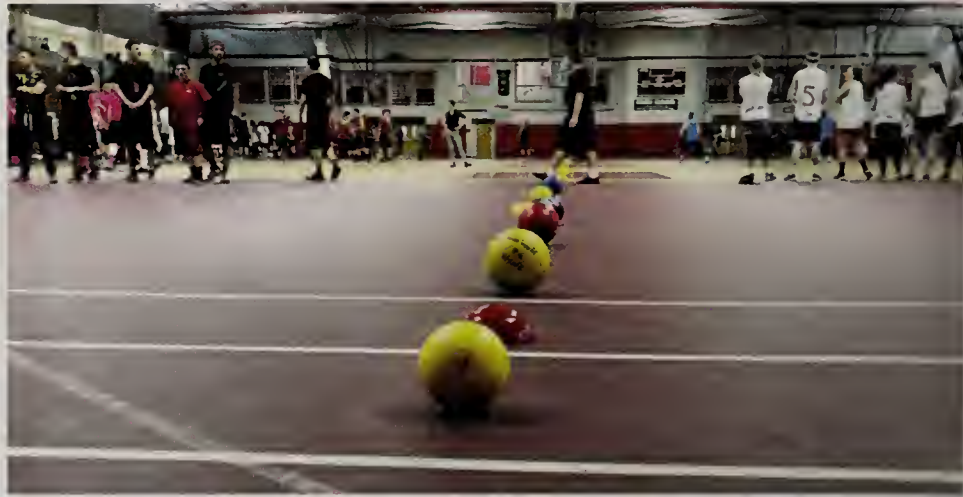

The Nerd

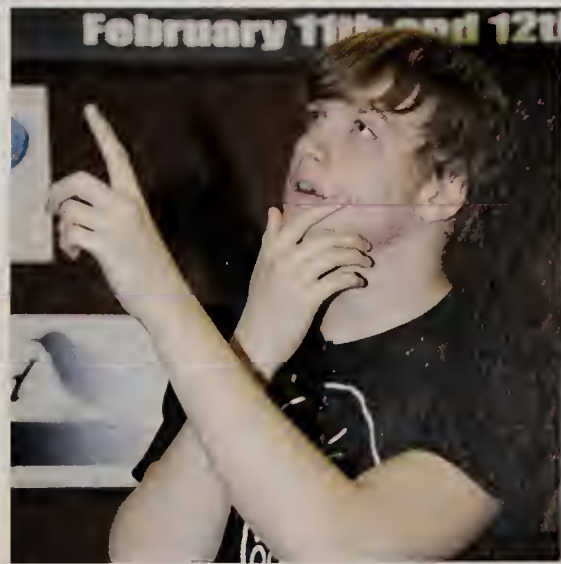

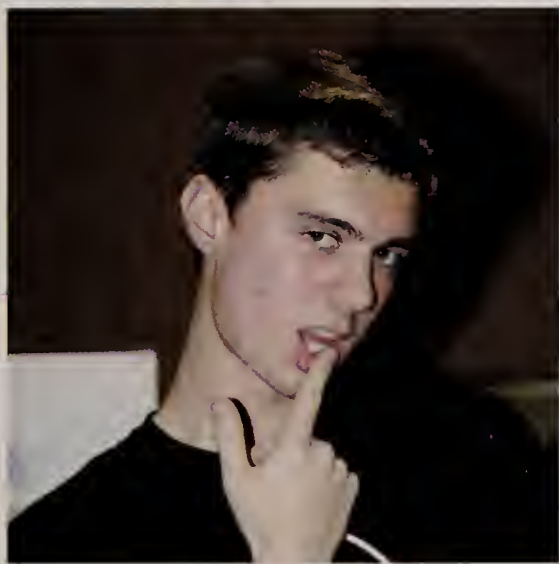

The Nerd was directed by Natalie Cunha, assisted by Julia Donohue. It was a hilarious comedy with a cast of only seven! This show contained paper bags, deviled eggs and a large fish costume. All of the roles were brilliantly played. The backstage crew worked hard to create wood flooring and perfect lighting. The Nerd was a fantastic production.

Letter From the Editors

Jane D'Entremont

Carolyn Lovvoll

Amanda Tavoletti

Dear Class of 2016,

When we started high school in 2012, we never realized how quickly the four years would fly. Walking through the halls, we would struggle to find our lockers and classrooms the first few weeks of school. Four years later, we have made our impact on RMHS and know every inch of our school halls. We have built relationships with friends and teachers, attended poetry slams, drama productions, concerts, dances, proms, club meetings, and a change trip, and now that year finally finally come to a conclusion.

Our goal as editors was to encapsulate the successes and experiences our class brought. Our yearbook, from individual bios to sports team pages, we have enjoyed making a yearbook that captures our journey as a class from freshmen to seniors. This book marks an end, but also a new beginning. We hope that whatever plans you have for the future, you will still remember your time at RMHS through this yearbook.

We would like to thank our awesome yearbook staff, Madame Ferrel, Tracy Kerley, Corinne Hughes, and Mrs. Donahue for helping us create this book.

Thank You and Best of Luck!

Yearbook Editors

Jane D'Entremont, Carolyn Lovvoll, and Amanda Tavoletti
